Source of information: Network SIMS Database

Date of Preparation: August 2007

Race: The categories are from the HCFA-2728 Form.

Diagnosis: Categories are from the HCFA-2728. A diagnosis of 'unknown' is ICD-9 code 7999.

This table cannot be compared to the HCFA facility survey because the HCFA Facility Survey is limited to dialysis patients receiving outpatient services from Medicare approved dialysis facilities.

The numbers may not reflect the true point prevalence due to different definitions for transient patients.

This table includes 98 patients receiving treatment at VA facilities.
