**Start off the New Year with some answers  
to your CROWNWeb-related questions!**

**What is independent facilities' perspective of the CROWNWeb system?**

**What is the latest on the Batch Data Submission process?**

**How are facilities using the CROWNWeb system in the REAL WORLD?**

Join other renal community stakeholders, CMS and the Renal – Requirements, Communications and Training team (RCT) as we present the latest information related to the CROWNWeb system via a six-part WebEx series. These sessions will be held the last Thursday of each month, January 28, 2010 - June 24, 2010; and will provide a means for the community to share thoughts regarding each topic.

**Larry Emerson, President of the National Renal Administrators Association (NRAA)**, will kick-off this six-part WebEx series by discussing independent facilities' overall perspective of the CROWNWeb system.
