

## CROWNWeb Hands-On Training - October and November 2009

CMS is pleased to offer dialysis facilities an opportunity to get first-hand experience using CROWNWeb at one of the upcoming instructor-led training sessions. These trainings will provide a complete interactive tour of CROWNWeb, as well as a live demonstration of the QIPS Account Form and process.

**SITES INCLUDE:**

- Chicago
- Houston
- Washington DC
- Los Angeles
- Atlanta
- Miami
- Philadelphia
- San Francisco
- New York City
- Phoenix

Make plans now to attend one of these interactive CROWNWeb training sessions for the chance to:

- See all CROWNWeb functionality in action
- Have your questions answered by a CROWNWeb instructor
- Work in a live, functional version of CROWNWeb

Go to [www.projectcrownweb.org](http://www.projectcrownweb.org) and click the “Click Here to Register” button in the lower right corner of the screen to view available cities and dates.

**LDO Facilities – Refer to the CROWNWeb Training information below for your specific organization:**

- **DaVita** – DaVita staff members may take CROWNWeb training online or attend any Instructor-Led training session.
- **Fresenius** – Fresenius staff should take training available on FMC4ME, but may also attend Instructor-Led training.
- **DCI** - Designated DCI CROWNWeb expert users should take the online training found at [www.projectcrownweb.org](http://www.projectcrownweb.org).
