

Registration Fees

\$80 Registration fee if postmarked on or before March 5, 2010

\$90 Late/Walk-in registration fee if postmarked after March 5, 2010 (based on availability).

\$70 Special Online registration fee available at www.NationwideChildrens.org/Conferences. This rate is not available for mail-in registrations.

Registration deadline of March 5, 2010

Cancellation Policy

Refunds minus 30% for administrative costs, unless specified differently in the conference description, will be given for cancellations received in writing by March 11, 2010.

Nationwide Children's Hospital reserves the right to cancel any program listed based upon enrollment or other contributing factors. Individuals who have enrolled will be notified at least one week in advance of a cancellation. Full tuition will be refunded or can be applied to another program should a program be cancelled.

Intended Audience

Nephrologists, Urologists, Primary Care Physicians, Pediatricians, Nurses and Social Workers

Educational Objectives

1. Evaluate evidence-based treatments for children with recurrent UTIs in order to address and effectively treat common issues in these patients to reduce the number of re-admissions.
2. Determine when to treat UTI and VUR in patients in the primary care setting and when to refer to a Urologist.
3. Describe the emerging role of endoscopic treatments and other surgical procedures for the treatment of VUR in order to consider these treatments in future patients.
4. Educate parents on how to manage recurrent UTIs and VUR at home to improve the patient's quality of life.
5. Describe new concepts regarding pathogenesis of UTIs and how this may apply to further research and treatments of the disease.
6. Use new UTI treatments as appropriate to reduce recurrence and re-admission and increase quality of life for patients.

Location/Parking

Free parking and shuttle service are available from assigned hospital parking lots on the day of the conference. Please plan for an additional 20 minutes of travel time to accommodate. Directions and a parking map will be included in your confirmation letter. Conference will be held in Stecker Auditorium located in Nationwide Children's Hospital Education Center.

Confirmation

A confirmation letter, receipt, parking information and directions to the conference will be sent to those whose registrations are received and processed by the 3/5/2010 deadline.

Continuing Education Credit

Medical – This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Nationwide Children's Hospital and the National Kidney Foundation serving Ohio. Nationwide Children's is accredited by the ACCME to provide continuing medical education for physicians. Nationwide Children's designates this educational activity for a maximum of 6 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing – Nationwide Children's Hospital (OH-033, 10-1-11) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Social Work – Nationwide Children's Hospital is an approved provider through the State of Ohio Counselor and Social Work Board for Social Work Continuing Professional Education units. This program will be reviewed by the internal continuing education review process for determination of professional education units.

Questions

Jeanine Hatfield, Professional Conference Coordinator, Nationwide Children's Hospital, PO Box 7199, Columbus, OH, 43205-0199, (614) 355-0676, Fax (614) 355-0670.

Smoke-Free Policy

To promote good health and maintain a healthy environment, Nationwide Children's Hospital is smoke-free. All Nationwide Children's Hospital employees and visitors are prohibited from smoking during their work shift or visit to the hospital to protect the health of our patients. Designated areas will no longer be available for use and families and visitors will be asked not to smoke in their vehicles while on Nationwide Children's campus. Your cooperation is appreciated.
